

Session Evaluation
Evidence-Informed Policy Making Training

We value your comments. Please share your constructive feedback, including any positives or critiques below. Your feedback helps us to identify areas for improvement or change, potentially even mid-workshop. Thank you!
There is a comprehensive workshop evaluation at the close of training.

Session title:

Session assessment:

1. Please rate the following attributes of the workshop:

	Strongly Agree	Agree	Neither Agree nor Disagree	Disagree	Strongly Disagree
The objectives of the session were met					
The presentation content was useful/appropriate					
The exercises (if any) useful/appropriate					
The facilitator was adequately prepared					

2. Was the time given to this module: too short? adequate? too long?

3. Please provide other details, comments, or suggestions for improvement or (use the back if more space needed):

4. Your Name (optional):
